About Consumer Information Reports

Kansas Advocates for Better Care offers individual reports to provide information about any licensed care home in Kansas. Information included in these reports include:

- Facility name, address and phone
- Current and past Administrator(s)
- History of facility name changes and history of ownership
- Three most recent inspection survey dates
- Number of deficiencies cited for each, including substantiated complaint deficiencies, actual harm and mistreatment deficiencies
- “Recommended Remedies” by the Kansas Department on Aging, based on surveyor findings during regular or complaint inspections
- Daily private pay and Medicaid reimbursement rates
- Nursing and Assisted Living Facility occupancy rate
- Whether or not the facility has a special care unit for Alzheimer’s or dementia residents
- Quality indicators for restraint use, pressure sores and severe pain
- Non-profit or for-profit status

To receive your two free reports, please indicate the name and city (Kansas only) of each facility.
