Stand By Me 2015

“Stand By Me” is an annual charity event that benefits the non-profit work of Kansas Advocates for Better Care (KABC). KABC is unique in the work it does to provide guidance and assistance to elders and family caregivers faced with life-changing long-term care decisions, as well as the public policy work KABC does on behalf of elders for improved care.

**Watch for more information about Stand By Me
as we celebrate our 40th year.**
